Embracing human noise as resilience indicator: OUTLINE

Jacob Heglund - jheglun2

4/10/2019

1 Introduction

2 Background

2.1 Dimensions of resilience

2.2 Approaches to measuring resilience

a few subsections here with even more background and references

3 Method

3.1 Data Collection

3.2 Statistics + Correlation

4 Discussion

4.1 6 Issues with data collection

5 Conclusion

6 Funding sources

7 References
